Dear Friend,

When my brother Richard and I envisioned TrainTastic, we set out to create more than just a museum. We wanted to build a place where families could share memories, children could learn through play, and the joy of trains could connect generations within our community.

Richard was always a kid at heart in the best possible way. He believed in wonder, imagination, and crafting experiences that brought people together. This same spirit lies at the heart of TrainTastic. Every layout, every exhibit, every guest's smile, and every memory made here reflects that vision and helps carry our mission forward.

Since its inception, TrainTastic has surpassed our expectations in both size and significance. It has become a gathering place for neighbors and a destination for families from across the Gulf Coast, the Southeast, and even as far away as Hawaii. Through our educational programs, we have provided hands-on learning experiences to more than 25,000 students, thanks to our dedicated, knowledgeable staff and team of volunteers. Your support can help us continue to grow and serve even more people in the years to come.

This year's Conductor's Ball is especially meaningful, as it marks TrainTastic's first annual on-site fundraiser. It offers a one-of-a-kind opportunity to be part of history, shape the future and make a lasting impact on our community.

I hope you will consider joining us as an Official Sponsor of the 2026 Conductor's Ball, which will honor Richard's legacy and ensure that TrainTastic remains a place of learning, connection, and "Just Train Fun" for families and individuals of all ages.

Thank you for believing in the strength of community, the power of dreams, the warmth of nostalgia, and the lasting impact of shared experiences.

With Gratitude,
Glenn Mueller
Board President
